## **Stern Chiropractic Office Policies**

**Welcome to Stern Chiropractic** - Stern Chiropractic would like to provide you with the best possible care. Dr. Stern will conduct a thorough history and physical examination to decide if he can assist you. If Dr. Stern does not believe that your condition will respond to chiropractic and/or acupuncture care, he will refer you to another health care provider, if appropriate.

**Fee and Payment Policy** - For all initial visits, payment is due in full at time of service. If Stern Chiropractic is contracted with your insurance company, payment is due in full until benefits can be verified, if allowable by your insurance company, and then any deductible and co-pay are due at time of visit. If Stern Chiropractic is not contracted with your insurance company, payment is due in full at time of visit. The office accepts cash (please try to have exact change), personal check and charge (Visa & MC). The office charges \$25 for any returned check. If fees for service are not paid in a timely manner, a late payment penalty (ies) will be assessed. If you (the practice member or financially responsible party) do not pay your bill on a timely basis and the office must pursue collections efforts, you will be responsible for all fees associated with said collections. There is a \$20 minimum for credit card charges.

**Cancellation Policy** – Please notify the office as soon as possible if you will be unable to keep your appointment. Appointments not cancelled at least 24 hours in advance will be billed to the patient at the value of the visit missed and cannot be billed to, nor reimbursed by, insurance.

### **Payment Agreement**

I (the patient/responsible party) understand that there is no guarantee that my insurance companies or pre-paid health plan will cover or pay for all of my charges. Notwithstanding denial, reduction of benefits or failure to pay for any reason, I understand that I am responsible for all remaining charges including charges for services not covered by my insurance company. I also understand that if Stern Chiropractic is not billing my insurance, I am responsible for all charges at the time of service.

### **Insurance**

This office will process your insurance forms upon request if we are affiliated with your insurance carrier, otherwise we will provide you with the appropriate billing information to submit yourself. We will provide sufficient information to your carrier/you to obtain payment for your care. We have found that, in some instances, however insurance companies will deny or reduce payment despite our best efforts to demonstrate the necessity for care. In the event that full payment is not made for any reason, you must understand that you are responsible to make payment in full unless Stern Chiropractic is a part of your insurance plan and this is not allowed.
